

THE WEDDING BOOK

A timeless storybook of your perfect day -
The Wedding Book is the modern alternative to the traditional Wedding album. Individually designed and printed in Italy using the latest digital technology. The Wedding Book is a one-off graphically enhanced and handbound book offering a choice of layout styles and front covers individual to you.

There are two packages to choose from, both include attendance by TWO fully qualified (Master Photographers Association) and Award Winning professional photographers. Coverage begins from morning preparations at home to reception (longer by agreement). There is no limitation to the number of images taken and all proof photographs are yours to keep.

Included in the price is a carrying case, 12 month calendar and CD slideshow of all images. Optional extras include parent and guest books.
